AURAA ATELIER

ABOUT AURAA ATELIER

"ATRUSTEDWEDDINGPLANNERINRAJASTHAN,KNOWNFORROYAL PALACE WEDDINGS AND DESTINATION CELEBRATIONS."

Auraa Atelier is a wedding planning studio based in Rajasthan. We plan and manage weddings from start to finish, so couples and families can enjoy the celebration instead of worrying about the details. Every client gets one dedicated team and one point of contact, so nothing gets lost between conversations.

We work in palaces, forts and heritage havelis across Udaipur, Jaipur and Jodhpur. Because we return to these venues season after season, we know them well — the best spots for a ceremony, how to plan around the weather, and what each property needs to look its best.

Whether you're planning locally or from abroad, our approach stays the same: clear communication, careful planning, and a team that treats your wedding with the same care they'd give their own.
